

## THE GAZETTE.

THURSDAY EVENING, APRIL 24.

**CHURCH STATISTICS.**—Probably no item in the census appears more strongly to the curiosity of people than does that exhibiting the membership of the various denominations. The church statistics furnish some very interesting facts. The church buildings in the United States number 64,552, affording accommodations for 11,395,542 persons out of the 27,900,000 individuals over ten years old in this country. The total value of church property is \$3,496,290. The annexed table will show the number of churches of each denomination in the order of their numerical preponderance, and the per cent of increase in membership during 1860 and 1870.

Denominations.	Number of Churches.	Per cent increase.
Methodist	21,337	7
Baptist	13,926	10
Presbyterian	7,071	49
Catholic	2,222	36
Christian	2,776	30
Lutheran	2,776	30
Congregationalist	2,604	69
Episcopal	1,445	22
German Reformed	823	0
Friends	602	0
Universalists	210	17
Unitarians	371	250
Mormons	152	97
Jews	152	97

The per cent given in the above tables are, in each case, with the exception of the Mormons, much less than those of the decade between the years of 1850 and 1860. The Universalists and the Friends, or Quakers, each lost nine per cent. during the past decade. Of all the creeds the Methodist stand first in respect to the aggregate value of church edifices, the Catholics second, the Presbyterians third, the Baptist fourth, the Episcopalians fifth, and the Congregationalists sixth.

## SALE OF VALUABLE VIRGINIA LANDS.

By virtue of a decree of the Circuit Court of Loudoun county, in the case of Hopkins, Hull & Co. vs. Berkeley, the undersigned, commissioners of said court, will offer at public auction, in front of the Court House, in Leesburg, Loudoun county, Va., on MONDAY, March 17th, 1873, the following REAL ESTATE, viz: A TRACT OF LAND, containing 408 acres, in Prince William county, adjoining the lands of Edmund Berkeley, Ewell, Bayley and others, about six miles from Thoroughfare station, on the O. & A. M. R. R., and four miles from Aldie, on the Piedmont and Potomac Railroad—over first grade of easy grade. This land is heavily timbered with chestnut, hickory and oak, and has upon it a vein of rich iron ore, running through its entire length.  
Also the ONE UNDIVIDED HALF of one of the most valuable and productive estates in Virginia, known as "GOOSE POND," lying on the south bank of the Mattaponi river, in Caroline county, containing 1600 acres, of which about 950 is timber of original growth, and the remainder cleared and under cultivation. The timber consists of the varieties of oak, pine, walnut and hickory, and is considered by judges equal to any body of timber land in the State. An experienced timber getter estimates the value of the hickory alone, for spokes, at double the assessed value. The tract is well watered by the finest streams and ship timber. The arable land has heretofore been cultivated by intelligent and liberal agriculturists, and until the war, with extraordinary remunerative results. The estate was somewhat neglected during the war, and the owners have since been endeavoring to restore it to its former productiveness. Two hundred acres of this land have been cropped continuously for nearly 60 years, and will now produce from 50 to 75 bushels of corn to the acre. Marl is abundant on the place, and has been liberally applied. The Mattaponi river, which has its navigation obstructed during the war, but at a slight expense it can be made navigable for vessels of 100 tons to the landing on the estate. "Goose Pond" adjoins the famous Corbin estate, "The Woods," and also the highly celebrated estate of Major Wm. Berkeley, separated from "Goose Pond" only by the Mattaponi river. The other half of "Goose Pond" is held for sale by General Epton Hutton, of Warrenton, who will unite in the sale of the whole tract.  
"HAYS," containing 1650 acres, will be offered for sale at the same time, by B. P. Noland, Trustee, under a deed of trust from Maj. Berkeley. These two estates forming a compact body of about 3300 acres of splendid land, offer the most desirable location in Virginia for capitalists and dealers in timber and lumber is invited to these lands. None more desirable, in quality or prices, are now in market.  
Terms of Sale: So much of the purchase-money to be paid in cash on the day of sale as will pay the costs of said sale and expenses of sale; the residue upon a credit of one, two, three and four years, in equal installments, bearing interest from the day of sale; the purchaser to execute his bonds for the deferred installments, and the title to be retained till the purchase money is all paid.  
MATTHEW HARRISON, B. P. NOLAND, POWELL HARRISON, J. H. ALEXANDER, Commissioners of Sale.

## BY AUTHORITY OF A DEED OF TRUST.

dated the — day of —, and with the full consent of the present owner, Major W. N. Berkeley, I will offer, at the same time and place, and upon the same terms as the above, that splendid estate in King William county, known as "HAYS," containing 1650 acres, adjoining "Goose Pond," the Mattaponi river being the dividing line. The timber upon this estate is of the same quality as that on "Goose Pond," and the arable land of the same fertile character. It has been managed since the war better than "Goose Pond," and is consequently now in better condition, and produces heavy crops of grain, tobacco and clover. The DWELLING HOUSE and out-buildings are complete and in good condition.  
B. P. NOLAND, Trustee.  
Loudoun county, Feb 17-1s

## The sale of the above property has been adjourned until MONDAY, the 12th day of May, 1873, Court day.

## W. B. NOLAND, Auc'r.

## COMMISSIONERS' SALE OF REAL ESTATE.

By virtue of a decree of the Circuit Court of Loudoun county, made at August term, 1872, in the case of Hopkins, Hull & Co. vs. Berkeley, the undersigned, commissioners of said court, will sell at the highest bidder, in front of the Court House, in Leesburg, Va., on MONDAY, May 12th, 1873, TWO VALUABLE TRACTS OF LAND, of which the first is F. Berkeley deed seized and possessed, viz: 1st. "ENDFIELD," situated on the edge of Prince William county, 3 miles southeast of Aldie, containing about 265 acres of unusually fine timber land—mostly chestnut. About the same quantity of land was recently sold off of "Endfield," to Mr. Letterman, of Baltimore, who now owns it. There is a steam saw mill near this tract, which makes the timber very valuable.  
2. A BEAUTIFUL FARM, in Caroline county, known as "BEAUTIFUL FARM," containing 573 acres, in the case of the Pamunkey river, 2 miles from Hanover Court House, a depot on the Chesapeake and Ohio Railroad—and adjoins "North Wales," the splendid estate of the late William Carter. The neighborhood is a desirable one; the land is of good quality and easily cultivated. The DWELLING is large and well arranged, with fine lawn, garden, orchard, and is altogether a most beautiful and desirable farm.  
Terms of Sale: So much of the purchase money to be paid in cash on the day of sale as will pay the costs of said sale and expenses of sale; the residue upon a credit of one, two, three and four years, in equal installments, bearing interest from the day of sale; the purchaser to execute his bonds for the deferred installments, and the title to be retained till the purchase money is all paid.
